Dear [redacted]

This letter is in response to your letter of 18 April.

Enclosed is a copy of a letter sent to Mr. Eugene Kilcullen, president of your citizens association. As you will see, we are aware of concerns such as yours and are working to find solutions that will minimize disruption to the local community. There are, however, practical limits to what can be done.

If the final solution is not totally acceptable to you, it will be due to the limits within which we had to work, not because of insensitivity to your concerns.

Sincerely,

STAT
